LIBRARIAN'S REPORT
for year ending December 31, 1969

Circulation Data —

Fiction	632
Non-Fiction	965
Juvenile	784
Magazines	625
Total	<u>3006</u>

This is an increase of 1,146 over last year.

314 books added during 1969.

From the above circulation figure you can see that 1969 has been a busy one. We held a book and cookie sale in July and netted \$85.00. My sincere thanks go to the committee — Mrs. Jackie Mahoney, Mrs. Marion Holm, Mrs. Jane Jillson and Mrs. Betty Davis. My thanks, also, to the several boys who aided in setting up, selling and picking up, which all helped to make it a success.

The library sponsored a film program for the Children's Christmas Party.

We received \$100 worth of reference books from the State Grant-in-Aid Program. We also received the generous gift of the Americana Encyclopedia with several year books and bookcase. My many thanks to all who have given books and magazines for our collection or book sales.

I have attended three Advisory Council meetings this year — they were held in Claremont, Keene and Meriden. I also represented the Southwest District at a meeting in Concord to lay plans for putting the Common Borrowers Card into action. Also attended the annual New Hampshire Library Association 2 day meeting in Plymouth in June.

Pipes were laid from the Fire Station to the Library in anticipation of completing the installation of running water this next year.

REPORT OF THE POLICE CHIEF

I hereby submit my report for the year 1969.

I would like to break precedence this year by first extending the appreciation of the members of the Police Department to those people who cooperated in promptly reporting suspicious persons or activities to us.

Richmond, like all other towns, with many summer homes which are closed during the winter is experiencing the curse rather than the blessing of the snowmobiles. Places which have never been accessible during the winter are now easily reached with these vehicles. They leave no tracks which can be identified and furthermore the breaks are not even discovered until weeks or even months later. We would urge you to keep alert to this problem and take time to look the second time at an unusual situation.

Let us again remind you that it is unlawful to leave the scene of an accident or to fail to report it immediately. This is for your protection as well as others.

During the year the back roads have been patrolled. There were only 14 breaks reported in Richmond during this time. This is a decrease of 11 over the previous year. This would seem to indicate that patrolling has helped to control this perennial problem.

Officers have stood duty at the Four Corners for the race track traffic, school bus, and the Town Beach was patrolled during the summer.

Your police were on duty at the scene of 22 accidents, transported 3 emergencies to the hospital, and delivered 6 emergency messages.

An officer stood duty at four fires and parked cars at two public functions.

Delinquent dog taxes were collected and 20 stray dogs and cats were picked up.

In cooperation with other law enforcement officers we served 3 summons, appeared in court, located 2 stolen cars, and assisted the Sheriff's Department 4 times.

REPORT OF THE POLICE CHIEF

Your officers were called to investigate 41 disturbances including among others shooting at night, unrestrained animals in gardens, open wells, disturbances of peace in addition to investigating 9 cars left beside the roads.

The Department cooperated on call with Civilian Defense and the Health Officer.

Your officers traveled over 3000 miles in 1969 to help preserve the peace and provide protection.

Mr. Roger Carrier was added to the force at the beginning of the summer.

Chief Heise, Chief Deputy Packard and Officer Van Brocklin completed the Cheshire County Police Training School in April.

Respectfully submitted,
ROY B. HEISE,
Chief of Police

BEACH COMMITTEE REPORT

As proposed in 1968, excavating was done on the Town Beach and a better boat launching area was completed.

Poles were placed in front of the ditches to prevent cars from accidentally driving into them.

The Town Beach was kept in good condition by the Beach committee and the townspeople.

We hope to send out the Town Beach stickers early this year so everybody will have them in plenty of time.

I wish to thank all those who participated in keeping the Town Beach a nice place to go and relax.

Respectfully submitted,
ROGER A. CARRIER, SR.
Chairman

FIRE CHIEF'S REPORT

I hereby submit my report to the Selectmen and citizens of Richmond for the year ending Dec. 31, 1969.

The past year we were fortunate not to have any building fires.

We did have some grass fires, one which started from an incinerator which could have caused a lot of property damage if it had not been noticed in time. Another was caused from smoking.

The District Chief, Robert Burn's report will help to enlighten you on this subject. I hope you will read it and pass the word on to others.

The Firemen have purchased out of money they earned a Base Station Transmitter to put on the monitor in the firehouse so we can communicate from the firehouse in case of fire or in any emergency, also a playback so Mutual Aid in Keene can tell when our siren is not working, when the daily test is conducted.

They also purchased three Bunker Coates that will be very useful in cold weather.

Two members of the fire department attended courses at Meadowood on building fires with Scott air packs and on communications.

I resigned as Chief of the Dep't, January 1, 1970, and as I look back over the year it is very gratifying to me to see the progress we have made and all the equipment we have acquired, including a new Fire Station, as we started practically from scratch.

At this time I want to take the opportunity to thank everyone for their co-operation in the past. I especially want to thank the Firemen and Ladies Auxiliary. It is the combined efforts of everyone that has made our Fire Dep't what it is today. I think we can all feel proud of it.

I also extend my thanks to Meadowood and the surrounding

towns of Swanzey, Fitzwilliam and Winchester for all their help through our Mutual Aid system.

I congratulate and extend best wishes to our new Chief, Robert VanBrocklin.

BOARD OF HEALTH REPORT — 1969

To the Selectmen :

Our community shared very favorably in holding to better health laws this past year.

Nuisance complaints which cover a large share of our problems were very few by comparison to recent years. However those that were brought to the attention of your representative were found to be of a hidden nature, until weather conditions hastened it to be noticed. This is definitely carelessness. Conditions of this nature prompt a warning to all residents to be absolutely sure there is proper kitchen and bathroom drainage provided for their home.

Communicable diseases were held down by the cooperation of inoculation at the schools.

Owners of cattle and horses who reside in congested areas such as the center of town were notified to dispose of manure in a correct manner to eliminate the breeding of flies.

BOARD OF HEALTH REPORT — 1969

Several children bitten by dogs were treated, and the dog restrained for ten days to assure that the animal was not sick with rabies.

If you see a fox or raccoon acting rather strangely, especially coming close to you or walking in circles, notify your health representative or the police at once. This animal is very ill and must be destroyed. It is rabid. Two such raccoons were taken to the Humane Society this past year, picked up on Route 119 and to be found very dangerous, although appearing very tame.

Several investigations were made for the State Welfare office, in regard to adoption of children in to local homes.

The town beach was checked weekly during the swimming season and found to be clean and well kept at all times.

I regret to resign my post as Health Representative for the town. I have enjoyed working for the people and with the people. Everyone has been very cooperative.

Sincerely

KATHRYN K. RAWDING

CEMETERY COMMITTEE REPORT

The Cemetery Committee of the Richmond Planning Board presented the following recommendations: proposed regulations, and estimates to the Selectmen for preparation of a portion of the Earl Howard Memorial Cemetery Extension for use in 1970. Since our cemeteries have very little unused space available, it is most important that all of us consider their proposals and decide what action we will take to provide for the future.

Planning Board Cemetery Committee Recommendations

1. That a 100' x 184' section of the Earl Howard Memorial Cemetery Ext. be prepared for use in 1970.

(Map shows lots, roads, and the relationship of this section to the remainder of the EHMCE and the South Cemetery.)

2. That a reasonable amount be charged for the lots in the EHMCE; the recommended Resident lot charge to be \$25 for each grave contained therein.

	Residents	Non-Residents
Double lot (2)	\$ 50	\$100
Family lot (3)	75	150
Family lot (4)	100	200

The money received from the sale of the lots is to be invested and the income is to be used for the perpetual care and maintenance of the EHMCE. Individual trust funds for additional care and maintenance may be accepted by the town for the cemetery or for a specific lot or lots.

If at any time the income should prove to be insufficient to provide reasonable care and maintenance due to an increase in the cost of said care and maintenance, and there are unsold lots in the EHMCE, the town may vote to increase the charge for the remaining lots in the EHMCE.

3. That two roads be made through the existing stone walls, one on the eastern side, and the other by the Earl Howard lot as shown on the map. And the stone wall on the eastern side be repaired, and a row of suitable shrubs be planted on the southern side.

CEMETERY COMMITTEE REPORT

4. That the lots be numbered and appropriate markers be placed on each lot to aid in the keeping of accurate records.
5. That a sign of durable material be placed at the entrance to the South Cemetery, the Mid-Town Cemetery, and the EHMCE.
6. That a plastic trash barrel be placed at a convenient location in the Mid-Town Cemetery, the EHMCE, and the South Cemetery.

Proposed Regulations

for the Earl Howard Memorial Cemetery Extension

1. Any monument stone placed on a lot is to be at the back of the lot with the monument facing the service road for that lot.
2. Head stones shall be level with the ground.
3. All caskets shall be enclosed in a vault of durable material.
4. Lots shall be level with no mounding of graves permitted.

Fences, statues, ornaments, trees, shrubs, or perennial plants are not permitted on any lot.

Estimates

Preparation of site	\$ 800.00 Max.
Lime, Seed, Fertilizer	190.00
Shrubs and Planting	320.00
Lot Markers	235.00
Three Signs (all cemeteries)	795.00
Total	<hr/> \$2,340.00

Tree removal and burning brush not included. Sign costs hopefully can be reduced to fall within recommended appropriation of (\$2000).

Report of the Forest Fire Warden and District Chief

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

FIRE PERMIT

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

EXCEPTIONS

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

PENALTIES

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
